Re: 171-14418-05052  
Second Administrative Amendment to  
FESOP 171-9683-05052

Dear Mr. Lyons:

Freesen Inc. was issued a Federally Enforceable State Operating Permit on March 2, 1999 for a portable hot drum mix asphalt plant. A request was received on May 22, 2001 to change the mailing address of Freesen Inc. and to notify the Office of Air Quality (OAQ) of its relocating out of state. Section A.1 and the FESOP Reporting Forms were changed to reflect the new company mailing address. Pursuant to the provisions of 326 IAC 2-8-10 the permit is hereby administratively amended as follows:

A.1 General Information [326 IAC 2-8-3(b)]

The Permittee owns and operates a portable hot drum mix asphalt plant.

Responsible Official:	Richard Lyons
Initial Location:	(Portable Plant) to be located at Rogers Group Interstate Sand and Gravel Pit, 3255 West Rt. 650 South, Williamsport, Indiana
Mailing Address:	<del>P.O. Box 350, Bluffs, Illinois 62624</del> P.O. Box 13420, Springfield, IL 62791
SIC Code:	2951
Initial County Location:	Warren
Initial County Status:	Attainment for all criteria pollutants
Source Status:	Federally Enforceable State Operating Permit (FESOP) Minor Source, under PSD and Emission Offset Rules; Minor Source, Section 112 of the Clean Air Act

The new physical location of the plant is Freesen Inc., 3151 Robbins Road, Springfield, IL 62704. Freesen Inc. is currently authorized to return to the initial site indicated in F 171-9683-05052. To relocate to any other site in Indiana the requirements of paragraph C.23 of the FESOP will need to be met.

This Administrative Amendment also corrects a typographical error in 171-12842-05052 regarding the issued of the original FESOP. The cover page, paragraph 1, line 1 reflects the issue date as August 10, 1998. The actual issue date should read issued March 2, 1999.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment to the front of the original permit.

Freesen Inc.  
Williamsport, IN
